

Annual Report for the Academic Year 2024-2025

1. Introduction

- Principal's Message: A brief address from the Principal reflecting on the year's achievements, challenges, and future goals.
- School Overview: A short description of the school, including its mission, vision, values, and objectives.

The Path

Dealing with a heterogeneous group of learners, at Kamlavati, we blend consistency and variety in teaching methods by combining established learning theories with innovative practices and programs. We strongly believe that this helps students improve their learning outcomes and achieve their full potential.

At Kamlavati, we recognize the importance of community engagement through activities like “Joy of Sharing” in shaping well-rounded individuals. Through these experiences, they learn the value of giving back to society and making a positive impact on the world around them. Physical well-being is a priority at Kamlavati. Our holistic sports facilities and wellness programs promote a healthy lifestyle among students. Through a range of sports activities we aim to instill discipline, teamwork, and resilience.

Kamlavati attracts dedicated faculties who are experts at making students feel safe, accepted, and capable. In the path of education, we are always student-centric and take pride in their feats.

Goal

Ultimately, our aim is to make every student ready to face challenges and become a confident global citizen while pursuing their dreams through academic and extracurricular achievements. When equipped with a strong foundation, it is true that a carefully nurtured tree will yield the best fruits.

Journey

Kamlavati is an exciting environment for ambitious young people who strive towards high holistic goals in a creative way. In the modern world, which is constantly changing, it is necessary to keep up with the eras and continuously adopt new knowledge. That is the very reason why our founders started this extraordinary institution half a century ago.

Our school was founded and registered in the year 1972 and has been affiliated with the Central Board of Secondary Education, New Delhi. Equipped with trailblazing teaching tools, smart whiteboards, and spacious classrooms, we provide students with an empowering environment for education.

Education at Kamlavati will be an exciting journey filled with exploration, friendship, and fun. To stay ahead in the fast-paced world, Kamlavati has established an innovation hub where students can explore their creativity and tactical spirit. Here, students do not study because they have to, but because they want to!

OBJECTIVES

CORE VALUES

2. ACADEMIC EXCELLENCE

- Our school is committed to innovation and excellence in education. We continuously seek ways to enhance the learning experience, promote academic achievement and develop well-rounded individuals. Our initiatives aim to provide a holistic learning experience, fostering academic excellence, creativity, and character development. Here are our initiatives in Academic Year 2024-25

- **Recognition & Appreciation: Acknowledging outstanding teachers for their contributions to student growth and development.**

7. INFRASTRUCTURE AND FACILITIES

Upgrades and Developments:

- 1. Playground Enhancements:** The school playground has undergone a major transformation. To complement our existing basketball court, volleyball court, and football field, we have constructed two cricket practice nets equipped with a turf pitch to nurture budding cricketers. The 200-meter athletic track has also been revamped to meet modern standards, ensuring our athletes have the best facilities to train and excel.
- 2. Play School Outdoor Area:** Our youngest learners now have an even more vibrant and engaging outdoor play area. This space has been renovated to include delightful animal statues, aeroplane models, swings, and other equipment that spark imagination and physical activity.
- 3. Greening the Campus:** We are proud to announce the plantation of over 100 trees within the campus. This initiative not only enhances the aesthetic appeal of our school but also reinforces our commitment to environmental sustainability and instills eco-consciousness among our students.

8. TECHNOLOGY INTEGRATION:

1. As part of our commitment to providing a world-class education, we have installed LED panels in all classes. This technology will enable our teachers to deliver engaging, interactive lessons that cater to diverse learning styles.

9. SAFETY & SECURITY:

1. The safety and well-being of our students is our top priority. To ensure a secure and supportive environment, we have assigned dedicated caretakers to accompany students on all bus trips to and from campus.

2. To ensure the health and well-being of our students, we maintain accurate and up-to-date First Aid registers. This allows us to track and follow up on any injuries or incidents, providing prompt and proper care to our students.

10. SPORTS ACHIEVEMENTS

11. Intellectual Achievements

Recognition and Achievements

1. We proudly announce that **336 students have earned Cambridge University certification**, showcasing their mastery of challenging curricula and their potential for future academic success.
2. In collaboration with **IITM**, we provided **22 students** with the opportunity to participate in the **OGBT exam**, further enriching their academic experience and exposure.
3. In partnership with **IITM**, we provided students with the opportunity to pursue online **BS degree programs, resulting in 8 successful completions** and expanded academic horizons.

12. Peer Mentorship & Social Initiatives - PEER MENTORSHIP

"Peer mentorship is not just about guidance, it's about growth, together."

Peer mentorship is a powerful program that offers numerous benefits to students. By pairing students with trained peer mentors, these programs can improve academic performance, increase confidence and develop leadership skills. Peer mentors offer support and encouragement to help mentees achieve their goals. In addition to the benefits for mentees, peer mentors also develop valuable skills, such as leadership, communication, and problem-solving.

"We were listening to the lectures from our seniors without realizing that we were learning something new." This remark was made by one of the students from grade 6 about the Peer Mentorship initiative. The initiative has been a huge success, where students learn life lessons in a fun and stress-free environment. The students assigned as mentors take pride in their roles and gain valuable leadership qualities.

13. Community Service & Social Responsibility:

1. Karuna Club

“Kindness in words creates confidence

Kindness in thinking creates profoundness

Kindness in giving creates love”

Our Karuna Motto is **“Love and compassion are necessities, not luxuries, without these humanity cannot survive”**. Our students have performed various activities to inculcate the values of kindness and compassion. We all put our hands together with our management and helped many people in our surroundings. Students performed various programs such as vegan life style, awareness programs, **Gosalai** visit, visit to old age and orphan people, donating fund and necessary things for the affected people in flood to nurture human values in students. Through this the students understand the importance of compassion, empathy environment ethical and health benefits.

It's our pride that our school has been selected for **Karuna award at the 24th National conference and Awards** programme of karuna international which was held on December 28th and 29th December 2024 in Takhatgarh, Rajasthan. We continue to serve the society by our dedication to fostering compassion, Kindness and environmental awareness through our Karuna club activities.

2. Manjapai Awareness program

"As part of our efforts to promote cultural awareness, our primary kids have been engaged in Manjapai-related activities. They have shown great enthusiasm and interest in learning about Manjapai and are now sharing their understanding with the community."

14. Parent and Community Engagement

- Parent-Teacher Meetings: CONNECTING HEARTS

“Education is a shared commitment between dedicated teachers, motivated students, and supportive parents”

As we embark on this journey to empower our children, we recognize the pivotal role that parents play in shaping their young minds. At Kamlavati, we join our hands with parents to learn effective parenting strategies, network with other parents, and gain valuable insights. By organizing informative online seminars regarding higher studies, we aim to stay updated on the latest parenting trends, research, and best practices and also we value the opinions and perspectives of our parents. Parents get clarity on the teaching methodology followed in our school through Parent Orientation Program. Parents feedback is instrumental in helping us refine

our programs, services, and overall approach to supporting your child's education. Together, let us navigate the complexities of modern parenting and unlock our children's full potential.

- Collaboration with Community: collaborations with local communities, organizations, or educational bodies.

15. Conclusion

- Summary of the Year: Reflect on the success of the year and mention any specific goals or projects for the upcoming academic year.

- Acknowledgments: Thank the faculty, staff, students, parents, and other stakeholders for their support and contributions.
